Remarks

This home is a LOT of house for its price point! This well-taken-care-of property is on a quiet cul-de-sac with awesome curb appeal! The fenced-in backyard has gate access to an open, mowed, city property that is walkable and leads to the river trail. The roof was replaced in the fall of 2024. The Seller also recently replaced the kitchen!! The vaulted ceilings give this house an "open floor plan" feel! The multiple slider doors in the living/dining area brings the outside in!! The deck is perfect for entertaining and the large backyard adds to the outdoor space. The basement has a workshop area, laundry room, and plenty of flex space/storage! Schedule your showing today!
